

PEYA

Peya started her career in showbiz after she was crowned Miss Bangladesh 2007. Her debut movie was 'Chorabali' directed by Redwan Rony in 2012. She has also acted in dramas such as 'To be or not to be' and 'Projapoti Shukh Dukkho'. She is also the first Bangladeshi model to be featured on the cover of Vogue India.

SKIN CARE

Peya's days involve wearing a lot of makeup for shooting. Although she tries to avoid wearing makeup, her efforts usually end up failing. After a long and tiring day of shooting, she comes back home and removes all the makeup as soon as possible using a makeup remover. Once all the makeup is gone, she scrubs her face with the Neutrogena Deep Clean Gentle Scrub. After that she uses the Body Shop Tea Tree Serum to get rid of any blemish that may have been caused by pollution or heavy makeup. Before she goes to sleep, she applies the Neutrogena Light Night Cream for soft, smooth and glowing skin.

HAIR CARE

Peya likes to apply a concoction of different types of hair oil such as virgin coconut oil, olive oil, and argan oil, along with vitamin E. This helps keep her hair strong and healthy with little to no hairfall. It also makes her hair smooth, silky and shiny. She applies the concoction a few times a week for a few hours at least. Then she cleanses her hair with TRESemmé Shampoo and Conditioner.

MAKE-UP

For her everyday look, she tries to keep

it as simple as possible. She applies a little bit of Dermablend Professional Smooth Liquid Camo Foundation with a bit of loose powder to set the foundation and mattify it. She contours her face by applying a highlighter along with a bronzer to give it some definition. She also uses the NYX 3 in 1 Brow Pencil to fill in her brows. Finally, she applies a little of MAC blush, lipstick and some Diorshow Pump'N'Volume Mascara to complete the look.

REGULAR WEAR

For her everyday attire, she prefers comfort over style so she goes with jeans and t-shirt. Sometimes she likes to wear crop tops, off-shoulder tops and cold shoulder tops depending on destinations. She likes to accessorize with a Rolex or Michael Kors watch.

PARTY WEAR

When Peya is going out with friends, she usually wears western clothes. Peya prefers wearing small ear studs and a choker with them. However, when she goes to a family gathering she usually prefers a traditional saree like Jamdaani, Moslin, and Kancheepuram. She likes to accessorize her sarees with gold jewelry as she has a knack for them.
