

Tk 2,800cr bail order for 2 Destiny officials upheld by SC

STAFF CORRESPONDENT

The Supreme Court yesterday upheld its earlier order which ruled that two top Destiny officials will be released on bail only when they pay Tk 2,800 crore to the government by selling 35 lakh matured trees planted under the company's tree plantation project.

The two -- Destiny Group Managing Director Rafiqul Amin and Destiny Multipurpose Cooperative Society Ltd Chairman Mohammad Hossain -- were arrested in two money laundering cases involving Tk 4,200 crore.

In 2012, the Anti-Corruption Commission filed the cases against 22 officials of Destiny Group, including Rafiqul and Hossain, with Kalabagan Police Station.

A four-member bench of the Appellate Division of the SC headed by Justice Syed Mahmud Hossain rejected a petition filed by the two seeking modification of its earlier order.

ACC lawyer Khurshid Alam Khan told The Daily Star that the Destiny officials did not fulfill conditions imposed by the apex court for their release on bail.

The ACC lawyer also said Justice Md Abbul Wahhab Miah, who is performing functions of the chief justice, refused to hear the modification petition.

Barrister Rokanuddin Mahmud and Barrister Ajmalul Hossain appeared for the Destiny officials.

On November 13 last year, the SC passed the conditional bail order.

The Destiny officials earlier submitted a statement to the SC saying that 35 lakh trees were planted at different places across the country under its tree plantation project. Each tree could be sold at Tk 8,000 on an average and the total amount from the trees would be Tk 2,800 crore.

Textbooks are to be easier

FROM PAGE 3 ensure teachers possess higher ethical standards and values, he also said.

Regarding incidents of question paper leak, Nahid said it had been happening for a long time, but these days the leaks are done mainly on Facebook and other digital mediums.

He, however, said due efforts are being made to curb further leaks of question papers.

Renowned writer Prof Abdullah Abu Sayeed, who was present at the meeting, said the country's textbooks are not as easy and stimulating as those are in the US.

Prof Sayeed, also the founder of Bishwo Shahitto Kendro, advised in the meeting that experts could first write textbooks with

all necessary information. Afterwards, prominent writers such as Dr Muhammad Zafar Iqbal could rewrite those in an easy and interesting manner.

Dr Muhammad Zafar Iqbal, a writer and professor at Shahjalal University of Science and Technology, said a few positive and qualitative changes were being made in preparing question papers and examining answer sheets.

Teachers are now more careful about using scientific methods while marking answer sheets. The reduced number of students securing GPA-5 in secondary school exams indicates that standards are being maintained during the answer sheet marking process, he also said.

President seeks Pope's

FROM PAGE 3 terrorism and violent extremism, he said, adding that it denounces extremism, in all its forms and manifestations.

At the same time, like other Muslim majority countries, Hamid said Bangladesh remains concerned about the rise of Islamophobia and hate crimes in many western societies, which is adversely affecting the lives of millions of peaceful people of faith. "We believe that interfaith dialogues, at all levels of the society, are important to combat such extremist trends."

Highlighting the role of Pope Francis, President Hamid said the Pope reminds that all have a sacred obligation to protect planet earth and ensure a sustainable future for generations to come.

"We stand with you in your call to all world leaders to support the communities most vulnerable to adverse effects of a changing climate and to come together to preserve our precious world," he added.

Welcoming Pope Francis, Hamid said his visit to Bangladesh is a recognition of the history of religious tolerance and harmony and age-old tradition of peaceful coexistence by the people of different religions in Bangladesh.

Cabinet and parliament members, eminent citizens and diplomats were, among others, present at the meeting.

A silent protest

FROM PAGE 5 "But we do have a crisis of classrooms, for which we cannot follow the class routine properly."

Regarding the coaching business, he said, "As per the government rule, teachers are not allowed to do so. But, if a teacher is involved in providing private tuition to students, it is hard for us to monitor that. We will look into the issue."

Meanwhile, a photo of Malek sitting in front of the office went viral on social media.

He sat there for around two hours. Later, he ended his sit-in protest after Sabirul Islam, deputy commissioner of Sunamganj, assured him of looking into the matter.

"The freedom fighter protested for a good cause. It should be taken under serious consideration," said the DC.

"I assured him of taking necessary steps to inform the ministry concerned regarding the issue. He said he will file a written complaint in this regard on Sunday," he added.

Cricketer Sunny discharged from case

COURT CORRESPONDENT

A Dhaka court yesterday discharged suspended cricketer Arafat Sunny and his mother from a case filed over torturing a woman, who claimed to be his wife, after accepting the final report (FRT) submitted by police.

Earlier on August 17, police submitted the report stating the charges brought against Sunny and his mother were not proved.

The final investigation report said the complainant filed the case by presenting false information, so the report asked to acquit the accused. Moreover, the investigators did not find any proof of marriage between Arafat Sunny and the complainant.

Police did not also find any evidence of allegation brought against Nargis Sultana, mother of Sunny.

Earlier on February 1, Nasrin Sultana, claimed to be the wife of Arafat Sunny, filed the case.

Two more cases -- one under the Information and Communication Technology Act (ICT) and other for demanding dowry -- were also filed against Sunny.
