

SCHOOLSMART MINUTE CHALLENGE

A game show that keeps getting better with each episode

BY A CORRESPONDENT

It was week three of SchoolSmart Minute Challenge; Salman and Safa were back with the favourite show for school students. This time it was Mastermind versus Rajuk Uttara.

Mastermind literally blasted off as they took the first round in 11 seconds and second round in 9 seconds. In the third round, Rajuk pulled out a win in the final seconds. They needed to continue this streak but Mastermind was too good which meant the final round would be played for pride. Rajuk won this difficult round in only 14 seconds but Mastermind had already qualified.

Onto week four, and this time Udayan took on Turkish Hope. Udayan took the first round in an incredible display of balance, but Turkish Hope bounced back with a magnificent show of composure. Turkish Hope kept up the pressure with a third round victory by building a sturdier bubble gum tower. Udayan won the fourth round and it all came down to the final round. Both captains stepped up and by the narrowest margin Turkish Hope pulled through.

The episodes were very entertaining. All eyes are on SA TV every Friday at 10:30 AM and Saturday at 9:30 AM.

The title sponsor of the show is Apex, powered by ICY water bottle, in association with Pasta Chips and co-sponsored by Center Jel chewing gum.
