

FELANI KILLING Submit affidavit in three weeks

Indian SC asks its govt
UNB, Kurigram

The Indian Supreme Court yesterday gave a three-week time to the government to submit an affidavit in connection with the murder of Felani Khatun by Indian Border Security Force (BSF). The Indian apex court gave the time following a time petition of the state after hearing two writ petitions filed over the murder, said Advocate Abraham Lincoln, public prosecutor of the Kurigram court. Fifteen-year-old Felani was gunned down by the BSF when she, along with her father, was returning home from India through Anantapur border along Phulbari upazila of Kurigram on January 7, 2011.

Although her father managed to get inside the Bangladesh border by scaling the barbed-wire fence, Felani was shot dead by a BSF man before she was able to do so. The ghastly photo of Felani's bloody body hanging from the barbed wire upside down sparked an outcry of protest and condemnation. After an investigation, the BSF submitted a charge sheet against its constable Amiya Ghosh, responsible for the shooting. On August 19, 2013, a special court constituted by the BSF acquitted Amiya Ghosh. On November 16, 2014, a revision trial resumed at the court. However, the BSF man was once again acquitted. Later, the victim's father appealed to the Indian SC against the judgement on July 13, 2015.

Youths along with guests pose with appointment letters at an event on the premises of Underprivileged Children's Educational Programmes (Ucep) in the capital's Mirpur yesterday. The Rotary Club of Dhaka Royal executed the project to support a large number of youths who have recently received training from the Ucep with job placements. President of the Club Rtn Tahmina Ahmad and Past District Governor of Rotary District-3,281 Ishtiaque Abiduzzaman handed over the appointment letters. The project under the theme "Light of Hope" is designed to support and help underprivileged youths to become independent and self-reliant and thereby contribute to economic and community development.

A bad mix of teens

FROM PAGE 5

On the day of the killing, being chased out by Adnan and two of his friends, two tenth graders of ISC took the shelter of their senior brothers -- Moin, Sabbir and three others -- at Mejbhan Khaile Aiyun restaurant.

The five seniors including Moin and Sabbir later came out of the restaurant and chased down Adnan and his two friends. After they caught up with Adnan a few yards away, Sabbir pointed a gun to Adnan's head while Arman and Sayed kept beating him with sticks, he said.

At one stage Adnan was hit by a CNG-run auto rickshaw in front of ISC where Moin stabbed him from behind. Adnan then ran for his life, but collapsed in front of Dr Khastogir Government Girls' High School and College.

The killers later went inside a room on the third floor of the restaurant and left the place one by one after receiving the news of Adnan's death around 3:30pm.

Around 8:30pm, the five went to Badurtala area of Bahaddarhat and four of them boarded a Fatikhchari-bound bus around 9:00pm, said ADC Rauf.

Adnan's father Adnan Aktarul Azam -- an LGED engineer in Khagrachhari -- on Wednesday night filed a murder case with Kotwali Police Station accusing the five arrestees and six unnamed others. Meanwhile, Adnan's friends and students at Chittagong Collegiate School yesterday staged a demonstration in front of Chittagong Press Club demanding capital punishment to his killers.

This correspondent made several attempts to speak with AL's Chawk Bazar thana unit leader Abdur Rauf for his comments over his alleged involvement with Adnan's killers, but his cell phone was found unreachable till the filing of this report around 10:00pm last night. He did not respond to the text message sent to the same number either.

Provide Tk 99cr to Moon

FROM PAGE 3

Moon Cinema Hall to BIMWL in three months.

On February 2, 2010 the apex court in another verdict had upheld the HC verdict that declared the fifth amendment illegal.

The HC had delivered the verdict on August 29, 2005 following a writ petition filed by Maqsubul Alam on behalf of BIMWL challenging the Martial Law Regulation (MLR) 7 of 1977, issued to legalise all illegal acts of the martial law governments including acquiring the land of the Moon Cinema Hall prior to that time.

As the order went unheeded, Maksudul

filed a contempt of court petition with the SC in January 2013 against the authorities concerned of the government and Muktiyodhha Kalyan Trust for not executing its verdict.

During hearing the petition, the SC in January last year directed Prof Zamilur Reza Chowdhury to assess the cost of properties of the cinema hall which has already been turned into a development structure.

Recently, Prof Zamilur Reza Chowdhury submitted a report to the SC assessing the cost of the cinema hall's properties including the structures at Tk 99.21 crore.

Dr Tawfiq Newaz appeared for Maqsubul Alam.

Another militant

FROM PAGE 5

Nafis, 16, son of Nazrul Islam, was an eighth grader of Kazem Ali High School. He went missing from his Sirajuddowla's residence in Chittagong city on October 6.

He left the house in the name of attending Juma prayers. His family filed a general diary (GD) with the city's Chawkbazar Police Station the next day.

With Nafis, two out of the three suspected militants killed in the Nakhla para den were identified.

Two firearms, three suicide vests, and three improvised explosive devices were also recovered during the raid on the fourth floor of six-storey "Ruby Villa", several hundred yards away the Prime Ministers' Office.

Another dead "militant" was earlier identified as Mezba Uddin, son of Enamul Huq and Tahmina Akhtar of Vadua village under Monohorgonj upazila in Comilla.

CT officials in Chittagong said Nafis's organisational name was "Abdullah". He was at the Chittagong den for a few days. However, he left the flat before police conducted the operation.

In the raid, police arrested two suspected militants Ashfaq Rahman alias Abu Mahir Al Bangali, 22, deputy commander (military wing), and Rakibul Hasan alias Abu Taishir Al Bangal 19. Nafis had communications with them, the officials said.

Nafiz's father Nazrul earlier said his son took around Tk 60,000 from the shop before leaving on October 6, just two days before his test examination.

Family members said Nazrul divorced Nafis's mother in 2010 and later married another woman after coming from Oman. After the incident, Nafis used to live with his father but he seemed withdrawn. He was also not attentive to his study.

After he went "missing", his father Nazrul found some Islamic books and papers in his room which were handed over to police.

OIC support expected

FROM PAGE 3

He pointed out that Bangladesh is providing shelter to over one million forcibly displaced people who fled atrocities in Rakhine state of Myanmar. He thanked the OIC members for coming forward with relief assistance for the Rohingya.

Mahmood Ali is now in New Delhi on a visit to attend the Raisina Dialogue, a premier foreign policy event of the Indian government.

Muazem Ali thanked the OIC for sponsoring a UN resolution against Myanmar in last November on the Rohingya issue. The resolution, which was adopted in the General Assembly's Third Committee, was the result of extensive international support due to the cooperation achieved by the OIC with many states.

Kamrul Ahsan, secretary (consular) at the foreign ministry, also spoke on the occasion.
