

BOBBY

Eamin Haque Bobby is a popular actress and film producer. She made her Dhallywood debut in 2010 with 'Khoj: The Search'. However, it was 'Dehorokhi' that helped her establish herself as a successful actress. Currently, she is shooting for her next film 'Jasmine'.

SKIN CARE

Bobby always makes sure to cleanse her skin really well no matter how late it is or tired she is. She believes clean skin is the way to healthy skin. She uses the Cetaphil Gentle Skin Cleanser and moisturizer as she has dry skin. However, before moisturizing, she makes sure to use the Body Shop Tea Tree Toner to further remove any impurities that may have been left behind by the cleanser. Once her skin is clean and well moisturized, she goes to bed and tries to get a full 8-hour sleep as a good night's sleep is extremely important for skin rejuvenation. She gets a nourishing facial every month to keep her skin soft and supple.

HAIR CARE

Bobby loves to dye her hair. Thus, one will see her with a new hair colour almost every few months. However, the

bleach used during dyeing is extremely harmful for our hair. Thus, in order to maintain the colour and keep her hair protected, she gets a Hair Spa or treatment once or twice every month. She tries to occasionally apply oil to her hair as well but her busy schedule rarely allows her to do so.

MAKE-UP

Bobby is a fan of minimal makeup. While going out she just applies the Bobbi Brown Skin Foundation and Mac Studio Fix Face Powder to set the base. On hot days, she prefers to just apply the face powder to keep her skin feeling light. Once the base is done, she applies a little Mac Kajol and some lipstick. During winter she prefers darker shades but during the summer she sticks to nude shades. Among her favourite brands in lipstick are Mac, Bobbi Brown, Maybelline and L'Oréal. When going to

a party or daawat she usually sticks to the same routine but tries to put more focus on her eyes. She applies a thicker line of kajol and then puts on a lot of mascara to make her eyes look big.

REGULAR WEAR

For regular wear, Bobby prefers comfort over style. She usually goes with a pair of ripped jeans and pairs it with crop tops or cold shoulder tops. Sometimes she wears salwar kameez as well.

PARTY WEAR

When going to a party with friends or colleagues, she usually goes with jeans and tops. She accessorizes the otherwise mundane look with chunky neckpieces, earrings and bracelets. To complete the look, she wears a pair of sky high heels. When going to a family function, she prefers to wear a gown or kameez.
