

# Spring **NEON SLAY**

When it's Spring, Neon is the new black!  
And here are some outfit ideas on  
how to pull off the brightest of colours,  
effortlessly.

Pulling off Neon is all about having  
the perfect balance of all these  
beautiful, bright shades in your outfit.  
So ladies, take notes, use your creativity  
and go slay the trend this spring!

## **HOT PINK VIBRANCE**

The most classic way to pull off neon you may ask? Put on a hot pink kameez, throw on a bold pink lip and you'll look perfect. Yes, it's that easy to pull off neon pink! Neutral eyes will suit this look the best. Subtle gold patterns on the dress combined with a neat hair up-do will make your outfit totally Dawat-appropriate.
