MINTU DESHWARA, back from Sunamganj

The regional office of the Directorate of Haor and Wetland Development at Shologhar in Sunamganj town has hardly seen any work due to manpower crisis since its inauguration over a year ago.

Only three daily basis employees -- a personal assistant, an office assistant and a night guard are working after the regional office was inaugurated on February 28 last year, said office sources.

The ground and first floors of the three-storey office building are meant for office activities

while the second floor is used as a rest house.

This correspondent during a recent visit found the main gate of the building locked. After sometime, office assistant Yasin Sheikh came down from the top floor.

"We have no work other than taking care of the building. Occasionally we become busy when officials come here from Dhaka," he said.

Often drug addicts enter inside the boundary and give threat if they are asked to leave, said Abbas Mia, night guard of the office.

Freedom fighter Bazlul Majid Chowdhury, convener of 'Haor Bachao, Sunamganj Bachao Andolon', said, "Most of the haors of the country

are in Sunamganj district. But unfortunately, the regional office is yet to start programmes for solving problems of the people of haor areas and improving the quality of their life."

Mujibur Rahman, director general of the Directorate of Haor and Wetland Development, said the directorate is running with only seven persons including four officers.

"In July last year, recommendation for 71-strong manpower for the directorate was sent to the Ministry of Public Administration and it was approved. After the recruitment of necessary manpower, the directorate's work will begin in full swing this year," he added.

OUR CORRESPONDENT, Dinajpur

Hearing the news of recovery of some stolen cows by police, a number of people, whose cows were stolen in Phulbari upazila recently, gathered on the local police station premises yesterday, only to return home disheartened when they learnt that the recovered cattle belong to an incumbent minister.

Police recovered four cows which were stolen from a dairy farm owned by Primary and Mass Education Minister Mostafizur Rahman, also the local lawmaker.

The law enforcers also detained five people in connection with the incident, but declined to disclose their identities.

A gang of thieves lifted 10 cows from the minister's farm, at Rajarampur-Fakirpara village, on January 26.

Police raided a dairy farm in Patgram upazila of Lalmonirhat early yesterday and recovered four of the stolen cows.

Villagers alleged that as many as 150 cows were stolen from different villages in the upazila but police are reluctant to recover any of those cows belonging to the poor villagers.

"Police took prompt action for the minister's cows, but what about ours?" villager Altaf Mondal said.

Officer-in-Charge of Phulbari Police Station Sheikh Nasim Habib said they were trying to recover the other stolen cows as well.
