

Supply Chain Management, International Transportation, Liner Shipping Agency, Media and Entertainment, Information Technology, Computerized Reservation System, Nation-wide Consumer Products Distribution Network, Multi-unit Branded Food and Beverage Chain, Commercial Banking. With capabilities and efficiencies like these, it was hard to contain ourselves in Bangladesh. We were also keen to employ our expertise to the world to serve our global clients. Thus, we conquered other continents. We shared our experiences with you. We provided an opportunity to expand your business horizons by serving people better and helping you to maximize your profit. While doing this, we brought in fresh air to our national economy and flaunt the flag of our nation. With presence in over 12 cities around the globe, it is just a start.

CONQUERING CONTINENTS.
