The newest Espetada from Nando's

The PERi-PERi chicken place in Dhaka has a scrumptious treat for the chicken lovers. Nando's introduced their Spiced Cashew Nut Espetada in all their Dhaka outlets earlier in March 8, 2018. This latest, finger-licking addition in their line-up of flame grilled chicken dishes is made up of PERi-PERi chicken thigh chunks, which are stuffed with spiced cashew nuts and couscous filling, layered with zucchini ribbons and red onion. The succulent chunks are served on a skewer dripping with their signature sauce.

Every year, Nando's brings something new for its PERi-fans. Last year, Nando's launched a flavour named 'Mango and Lime'. This year's newest addition had an interesting campaign before launch. As part of a previous competition titled "Feed Your Fire Contest"- the winners were treated to an early taste test of this finger-licking dish on March 3, 2018. This Espetada is best in their Hot Flavour, but you can enjoy this in any of their six flavours from their PERi-O-Meter.

Hit your nearest Nando's in Dhanmondi, Banani, Gulshan 1 or 2 for a taste and be prepared to be lost in a creamy deliciousness!
