

Azmeri Asha

Azmeri Asha started her career in 2012 with a beauty pageant where she became the first runner up. She then debuted as a model in Pran Chanachur and Dabur Amla Hair Oil advertisements. She has also starred in many notable dramas like 'Sikandar Box' and 'Chabial Reunion'.

SKINCARE

Asha starts her skincare regime by removing all traces of makeup using the Body Shop Chamomile Waterproof Eye and Lip Makeup Remover. Once all the makeup is gone, she uses the Body Shop Vitamin E Gentle Facewash to further remove any impurities. Once her skin is completely clean, she uses the moisturizer from the same range and then goes to bed. Asha also makes sure to get a facial once or twice a month to keep her skin youthful and clear. On the days she gets tanned due to long shoots under the sun, she comes home applies cold yogurt to remove the tan. This soothes the skin as well.

HAIRCARE

Apart from getting a protein treatment or hair spa once a month, Asha makes sure to apply coconut hair oil at least once or twice a week to keep hair smooth and silky. After applying the oil, she keeps it on her hair for a few hours then washes it off with TRESemmé or Dove Shampoo.

MAKE-UP

Asha always prefers to do her own makeup be it for shoots or when going out to run errands. She uses the Mac Studio Fix Fluid Foundation along with

the concealer and face powder from the same range to hide any blemish and even out her skin tone. Once the base is done, she uses Mac Pencil Eyeliner or Tarte Tartiest Double Take Eyeliner to line her eyes. She then applies a little bit of the Too Faced Better Than Sex Mascara to complete her eye makeup. Finally she applies Mac lipstick in any of the nude shades such as Mehr and Velvet Teddy. She also likes lip colors from Kylie, Nys, Huda Beauty, Tarte and Colorpop. However, when going out to a party or dawaat, Asha adds contouring and highlighting to the same makeup routine to add some glamour.

REGULAR WEAR

Asha prefers to be comfortable in her everyday clothes. Thus, she always wears jeans with t shirts or shirts. She also likes to wear other trendy tops with pants and sneakers and adds a colourful trendy bag to make the look stylish.

PARTY WEAR

For parties, Asha likes to wear sarees or kameez depending on the occasion. However, for events related to the media, she mostly wears gowns.
