The wrap of the season

Summer is knocking and maximum comfort is the only style you need to look forward to. The tubular garb a.k.a. lungi is no longer just a summer essential for men. This week at Star Lifestyle, we are looking into the myriad fusion possibilities with this versatile wear — be it donning the wrap with a pleated knot, to making trendy western wear for women, we have it all! So gentlemen and ladies, do not let the heat and humidity rule you; be bold this summer and reach out to the lungi for your seasonal statement in fashion!
