

'Juktir Aloy Dekhi' begins Apr 21

STAFF CORRESPONDENT

The visually-impaired students are equally capable like others, and can also flourish their talents if they get the opportunity, said Hassan Ahamed Chowdhury Kiron, chairperson of Debate for Democracy (DFD), yesterday. With that in mind, Debate for Democracy (DFD) is going to hold a debate competition titled, "Juktir Aloy Dekhi", for the visually-impaired students in the capital. The competition will start from April 21.

The event will focus on various issues faced by the persons with disabilities and the responsibilities of society, family and the state towards them, said the DFD chairperson. He was speaking at a press conference at Jatiya Press Club.

A total of eight teams, consisting five members each, have been selected to take part in the competition so far. The teams are from Dhaka, Jahangirnagar, Chittagong and Rajshahi universities.

Each team will participate in seven rounds, representing a shadow parliament in the upcoming competition.

Lamenting that the existing education system for the visually-impaired is not adequate enough, the DFD chairperson said, "Even if there is a Braille system for them till the tenth grade, there is no such option at the university level."

Regarding the debate competition, he said such a platform would give them an opportunity to talk about their problems.

DFD Director Dr Tajul Islam Chowdhury Tuhin called upon the affluent section of the society to come forward and help the visually-impaired students.

While receiving the rules of the debate competition in Braille version, Amzad Hossain, a participant from Dhaka University, said, "With this initiative, we will be able to express our thoughts to the society. It will also help us become more aware of our rights."

Govt globally recognised as autocratic Ershad tells Ctg rally

STAFF CORRESPONDENT, CTG

The incumbent government has been recognised as an autocratic one internationally, claimed Jatiya Party Chairman HM Ershad at a rally in Chittagong yesterday.

"You termed me an autocrat. But now it is proven that I was not an autocrat rather you are internationally recognised as one," he said, pointing to the ruling party. "How do you show your face... have you no shame?"

The JP chief was speaking at a rally organised by Sammilito Jatiya Jote, a newly formed platform of 58 political parties including Jatiya Party and Bangladesh Islami Front, at Laldighi Maidan.

"You came to power with a pledge to provide job for members of every household and provide rice at Tk 10 per kg. But 4.86 crore people are unemployed according to a government record and the price of rice is Tk 60 per kg," he claimed. "How can a rickshaw-

puller or a day-labourer maintain their families?"

Regarding polls, he said, "Elections are no longer fair... these days it's all about vote-rigging and ballot-stuffing... we have to stop this."

"Bangladesh has become number one in child marriage... Because, parents marry off their daughters feeling insecure..." he said. "One person is running the government and everything happens as per that person's will..."

"The situation of the country has become such that no one but Allah knows who would disappear and when," he said.

Ershad also urged the government to take punitive actions against perpetrators involved in looting the banks' money. "Bangladesh is the only country where the money of the central bank has been looted...Tk 800 crore has been looted, but they have not disclosed the names of the perpetrators... Why? Because, they are also

involved... we know who they are."

"Why do you not publish the names...?" he asked. "The country is not on a highway towards development [as the government has termed], rather it is on the highway towards corruption."

He also pledged that he would introduce a provincial government system if voted to power.

Ershad also alleged that the country's education system has been "destroyed". "Earlier it was tough to pass the examinations, now it has become tough to fail... Many of the GPA-5 achievers cannot even write their names in English... what is the point of this GPA-5?" he said.

"The education minister in parliament advised taking bribes at a lower rate... how can he say such a thing? Surprisingly, he is still in the cabinet... if I was [the prime minister], I would have sacked him at once," Ershad said.

Bangladesh Islami Front Chairman MA Mannan chaired the rally.
