# ELITA AND BIBEK'S 'TUMI NEI TO AMI NEI' RESONATES!

Known as a promising singer of the current generation, Bibek Majumdar has wowed his fans once again with his latest song Tumi Nei To Ami Nei, performed alongside the ever-popular singing sensation Elita Karim. The music video was released last week on the YouTube channel Rtv Music. The lyrics, tune and music were composed by Bibek as well, with Badhan and Sarika appearing in the video as part of the cast. Tumi Nei To Ami Nei has resonated fantastically with the fans, and has served as an example of this young singer-music director's prowess. Zooel Morshed was the executive producer of the music video, and Motion Rock Entertainment contributed to the overall production.

Nabila's final hours as a bachelorette!

The announcement of Nabila's wedding had many of her fans in tears; tears of happiness, that is. On last Thursday night, 26th April, the much-awaited matrimony finally took place, and it was as festive as we had all imagined! Alongside her better half Jubaidul Haque Reem, Nabila certainly looked the part of an ecstatic bride in both of the main events. Her Gaaye Holud in particular, was a night of much festivity, and her wedding only topped it up a notch. Star Showbiz once again wishes her a happy conjugal life!

Taposh wins India's prestigious Dadsaheb Phalke Award

One of India's highest awards in the field of cinema, the prestigious Dadasaheb Phalke Award, has been awarded to Bangladesh's leading singer and music director Kaushik Hossain Taposh. The award was handed to Taposh at the gala arranged on April 21 in Mumbai. He is the first Bangladeshi to receive this award in the Best Singer and Music Director (Bangladesh) category. Shahid Kapoor, Ranveer Singh, Kartik Aryan, Aditi Rao Hydari, Simi Garewal, Anushka Sharma, Sanjay Dutt, Karan Johar, Rana Daggubati and other artists have received the award this year for their contribution in helping Indian cinema and television reach newer heights, on the occasion of Dadasaheb Phalke's 149th birth anniversary.
