Vacancy Announcement

Two Research Associate, Two Research Assistant and One Project Manager Posts at SHLC Project, Khulna University

SHLC
Centre for Sustainable, Healthy and Learning Cities and Neighbourhoods

Two full-time Research Associate, two Research Assistant and one Project Manager posts are available at the Sustainable, Healthy and Learning Cities and Neighbourhoods (SHLC) project. SHLC is one of the 37 major projects funded for 4 years by the Global Challenges Research Fund (GCRF) Research Councils UK (GCRF). GCRF aims to build upon research knowledge in the UK, and strengthen research capacity overseas, to help address challenges in the developing countries. SHLC will conduct comparative studies of urbanisation and the formation and differentiation of neighbourhoods in cities to address the challenges associated with large-scale rural-to-urban migration in selected countries in Africa and Asia.

Research Associate and Research Assistant jobs require comprehensive and up-to-date knowledge in the areas of urbanisation, urban development, development challenges facing cities and neighbourhoods in developing countries and especially in Bangladesh from the perspective of urban planning, public policy or other relevant social science disciplines. Specifically, we expect each of the four posts to contribute up-to-date knowledge to the SHLC project in at least two of the following areas:

- Cities, urbanisation, urban development in Bangladesh and in the Global South
- Urban education policy research and provision in Bangladesh and in the Global South
- Urban health policy research and health provision in Bangladesh and in the Global South
- Quantitative research and analytical skills including social survey, spatial analysis, GIS, Big Data
- Qualitative research and analytical skills and methods.

Post of the Project Manager requires an energetic young with an ability to support the project management, knowledge of current rules and regulations related to funded project (both in UK and Bangladesh context), experience of field work and data collection as a part time/full time research assistant in international collaborative research, research skill in the area of urban development planning.

These posts will be based in the Urban and Rural Planning Discipline at Khulna University. The associates and assistants will join a community of more than 50 researchers across the partner institutions. They are expected to become the future leaders in these very important subject areas.

Only shortlisted candidates will be contacted for further evaluation. For further information about Job Description and applying, please email at: shlc.ku.bd@gmail.com
