

The art of DAPPER

Before heading down to Bashundhara City mall or Jamuna Future Park for that upcoming Eid shopping spree, take some time to research the current fashion trends before you end up with your money down the drain and all your purchases as trendy as the cassette player. This is one of those life-changing wisdoms you often see in movies you know!

How to do it?

Wear a smart waistcoat and loose the coat!
Swap formal pants with jeans.
Instead of oxfords you may wear loafers.
No ties please!
Shirts can be replaced with polo t-shirts.
