

Sorry state of a traditional market in Ghatail

The upazila's largest market at Hamidpur often remains flooded

MIRZA SHAKIL, Tangail

Hamidpur market, a traditional and largest market in Ghatail upazila, has remained in poor state for long due to lack of renovation, causing immense sufferings to both the buyers and sellers.

The drainage system at the market is so poor that it gets submerged under knee deep water after a slight rain, said Abdur Rahman, a trader of the market.

The dirty water of the drains overflow and floods the market and enters the shops as the drains have not been cleared for long, he said.

On the other hand, the roads through the market have remained in battered condition for long due to lack of necessary repairing, he added.

Though the government gets good revenue from the market every year, no

development work has been done in the market over the last one decade, said Rahman.

There is no shed in the market for the sellers and buyers to take shelter in during rain, said Swapan Miah, another trader of the market.

Due to lack of suitable place inside the market, many of the vendors with their goods sit on the adjacent to busy Tangail-Mymensingh road, creating traffic jam, he added.

Admitting the poor condition of the traditional market, Abul Kalam Azad Mamun and Mohammad Nazrul Islam, chairmen of Digor and Digholkandi union parishads (UPs), said they raised the matter at the upazila development coordination meetings on several occasions.

Dilruba Ahmed, upazila nirbahi officer in Ghatail, said she was informed about the sorry state of the market and directed the upazila engineer to take necessary steps to resolve the problems as soon as possible.

Hamidpur market in Ghatail upazila of Tangail lies in an awful condition, thanks to the negligence of the authorities concerned.

Missing boy gets GPA-5 Family urges steps for his rescue

OUR CORRESPONDENT, Mymensingh

The brilliant result of a Secondary School Certificate (SSC) examinee in Phulbaria upazila could not make his family members and relatives happy as he has been missing for over two months.

Mehedi Hasan Babu, 15, son of Shahjahan Ali, a Dubai expatriate, got GPA-5 from Polashihata High School and College in the upazila, police said quoting family sources.

Babu, a student of science group went out of his house on March 6 and did not return home.

On March 7, Babu's mother Minara Khatun of Shibpur village received a message from her son's mobile phone demanding Tk 6 lakh for his safe return, she said, adding that Babu's phone was found switched-off after that.

Babu's uncle Abdul Motaleb filed a general diary (GD) with Phulbaria Police Station the same day.

Afterwards, police detained Mohammad Tushar, 19, an HSC examinee of the same village, on March 12, for his alleged involvement in the kidnapping, and took him on a two-day remand.

Phulbaria Police Station OC Sheikh Kabirul Islam said Tushar told them that he and Babu travelled to Dhaka together in the same bus, Babu got down in Kuril Biswa Road area in the capital.

Tushar was released on bail on April 1 and the case was later transferred to Detective Branch (DB) of police, the OC said.

Polashihata High School and College Principal Md Shamsul Haque said they urged the police to rescue the boy.

Babu's father Shahjahan Ali returned to Bangladesh on hearing about the incident and he is suffering from mental problems, neighbours said.

"All our happiness disappeared and the brilliant result could not be a consolation for us as our beloved son is still missing," said a sobbing Minara.

Appealing to the administration to rescue the boy soon, Shahjahan also alleged that police did not take proper steps to rescue the boy.

Hospital storekeeper held with medicines

OUR CORRESPONDENT, Patuakhali

The storekeeper of 250-bed Patuakhali General Hospital was caught red handed with medicines for selling in the black market yesterday afternoon.

A guard caught him when he was going out with a carton of antibiotic injections worth Tk 28,800 from the store.

The authority formed a five-member probe body in this regard, said Dr Abdur Rahim, superintendent of the hospital.

Hospital source said storekeeper Harun-Or-Rashid was going out with a carton containing 96 pieces of antibiotic injections named 'Ultra Pine' to sell in the black market.

But on the way Md Zafor, guard of the store, challenged him and he tried to flee with the medicine. Then Zafor caught him with the medicines and informed the authorities.

"We seized the medicines. We have already formed a five-member probe body, headed by Dr Abdul Motin, assistant director of the hospital, to investigate the matter. The probe body has been asked to submit the report within seven days," the superintendent said.

Dr Abdul Motin said they asked the storekeeper to give his explanation on Saturday.
