

Shuvoo and Bobby's 'Picnic'

After shocking fans nationwide in the first superhero film of Bangladesh, Bobby returns with a brand new venture. She hasn't returned alone, for she is being paired with Arifin Shuvoo for the upcoming film *Picnic*. Similar to *Bizli*, the film is being directed by Iftakar Chowdhury and is being released under the banner of Jaz Multimedia. Details about the film have not been made public yet, but we are promised to witness an entertaining new film. The pair of Shuvoo and Bobby is expected to be a hit in *Picnic*, the shooting for which is set to begin right after Eid.

JAYA'S multiple personalities!

We have seen Jaya excel at various roles in myriad films all throughout her illustrious career. This time, she takes it up a notch by not only performing in a psychological thriller, but also portraying a character with multiple personality disorder. In the upcoming film *Brishti Tomake Dilam*, Jaya plays the role of the titular character Brishti, an individual suffering from a mental disorder that gives her split personalities. The film is being directed by Arnab Pal, who stated that the film is sure to bring something different to the audience. Regarding her character, Jaya expressed a lot of interest. "A strong sense of character is attached to Brishti, and there are many shades to who she is," said Jaya. "This is my first psychological thriller, so I am learning a lot," added the famed actor. The release of *Brishti Tomake Dilam* is said to be in September this year.

KOMLA ROCKET set to launch

Debuting director Noor Imran Mithu is on the countdown for his very first film, *Komla Rocket*. Based on the short stories *Moulik* and *Cyprus* by Shahaduz Zaman, *Komla Rocket* is a film that revolves around a ship named Rocket and the passengers who are onboard. "Among all the regular passengers, an unusual individual jumps onboard, and thus begins the story. The film focuses on class differences and shows how little those differences matter on the face of fundamental needs such as hunger and warmth," stated the director. Noor Imran Mithu has previously appeared on the silver screen as the central character of the film *Piprabidya*. This being his first venture on the director's seat, he hopes to give the audience a unique story that everyone should be able to enjoy. "I urge everyone to give this film a try," further said the debuting director, "I leave the judgment to them." *Komla Rocket* is expected to be released later this year. It will be starring Tauquir Ahmed, Mosharraf Karim, Joyraj, Samia Said and others.
