

THE HEAVEN OF HERITAGE

A team of 100 members from Bangladesh began their journey to India on March. It was a week-long cultural-exchange programme organised by High Commission of India. Strolling around the historical sites in Delhi which included Taj Mahal, Agra Fort, Mahatma Gandhi Digital Museum, Humayun's Tomb, Qutb Minar, we came back with a better understanding of the diverse culture that India holds. On the other hand, Mumbai stole hearts with its amazing street food. Visit to Marine Drive, Film City Mumbai, Wankhede Stadium, Mahindra factory, Vidyalankar University in Mumbai helped the delegates collect more memories.
