

FEMME FABULOUS

NIPUN

Nipun started her career in showbiz in 2006 when she suddenly got offers for acting when she had come for a visit to Bangladesh from the US. Soon, she became one of the top rated actors in the country and even won 2 National Film Awards. Along with acting in many films, she is also the Brand Ambassador for renowned brands like Momtaz and Tibet.

SKIN CARE

Nipun starts of her skincare regime by removing all the makeup with olive oil first and then uses *Bioderma Purifying Foaming Gel* to further remove all impurities from her face. Then she wipes her face with a warm wet towel and air dries it. Finally before going to bed, she uses the *Chanel Ultra Correction Lift Night Cream*. In the morning, she cleanses her face using *Bioderma Purifying Foaming Gel* and applies the *Chanel Ultra Correction Lift Day Cream with SPF 15*. She also makes sure to drink a glass of lemon water every morning as this keeps her skin fresh and clear.

HAIR CARE

Nipun makes sure to keep her hair as clean as possible and uses the *Helida Keratin* range to care for her hair. She uses the

shampoo, conditioner and treatment mask from this range. She also applies oil to her hair twice or thrice a month whenever her hair feels a little too dry and gets the Nano treatment from her own salon once a month to keep her hair soft and silky.

MAKEUP

When going out to run errands, Nipun applies a little bit of the *Too Faced Compact Powder* and *Too Faced Better Than Sex Mascara*. She also applies some lipstick to complete the look. Her favourite brand in lipsticks is *Anastasia Beverly Hills* and she usually always goes with a nude shade. When going to parties or *dawaats*, she usually likes to wear a heavier base and uses the *Makeup Forever HD Foundation*. For contouring she prefers the contour kit by

Anastasia Beverly Hills and *Huda Beauty Highlighters*. And for her eyes, she likes to stick to the *Tarte* range.

REGULAR WEAR

For her everyday attire, she likes to go with simple and comfortable clothes like loose pants with long shirts or *kameez*. She usually completes the outfit with flats and a big tote bag.

PARTY WEAR

Nipun is a huge fan of *Kanchivaram* sarees and has a rather huge collection of them. She almost always wears a *Kanchivaram* saree when going to a *dawaat* or a wedding. However, when going to an event or a party with friends, she prefers to wear western outfits like pants and tops or gowns.
