

# DU VC apologises for his remark

FROM PAGE 3  
The three arrestees -- Jashim Uddin Akash, Moshir Rahman and Faruk Hasan -- are joint conveners of Bangladesh Sadharan Chhatra Adhikar Sangrakkhan Parishad, a platform that spearheaded the quota reform demonstrations.

Jashim and Moshir are shown arrested in a case filed for the attack at DU VC's residence while Faruk was shown arrested in another case filed for attacking cops and vandalising vehicles in different areas in Dhaka.

Faruk was sent to jail on July 3 after police showed him arrested in a case filed on April 11.

Meanwhile, Tariqul Hassan, another arrestee, was not produced before the court yesterday. His remand prayer will be held on July 17 in his presence.

Tariqul and Jasim, who were held on July 2, were sent to jail the next day after detectives produced them before a court in connection with the case.

Also on July 2, another leader Muhammad Rashed Khan was placed on a five-day remand a day after police had arrested him in Bhasantek area. Rashed is now on a 10-day remand in two cases.

On July 2, a group of Bangladesh Chhatra League (BCL) members beat up Tariqul on the premises of Dhaka University Central Library and handed him over to police.

He was later shown arrested in the case filed over vandalising the VC's residence.

Barrister Sarah Hossain and Barrister Jyotirmoy Barua submitted two separate petitions seeking bail along with cancellation of the remand prayers on behalf of the trio saying that their clients were mercilessly beaten and there were no grounds to place them on remand.

SCBA DEMANDS FORMATION OF PROBE BODY TO INVESTIGATE THE ATTACKS  
The Supreme Court Bar Association (SCBA) yesterday demanded formation of a committee with a Supreme Court judge and two former vice chancellors to investigate the attacks on the quota reform movement activists and to arrest and punish the persons responsible for the incidents.

"Dhaka University's vice chancellor has ordered the university campus off limits to general people, announcing that the students have militancy connection. We consider this dictatorship. He (VC of DU) cannot do this," SCBA President Zainul Abedin said.

Speaking at a press conference at the SCBA auditorium, Advocate Zainul said, "The responsibility of the DU VC is to ensure the security of students, but instead of doing that he is busy establishing the interest of the government by making provoking statements," he said. The SCBA president demanded immediate release of the detained students, medical treatments for the injured students, arrest of the attackers.

Advocate Zainul said that they support the logical movement.

# Quader

FROM PAGE 3  
Quader criticised the organisation saying that it was "fake and an unregistered entity".

The minister claimed that people involved with "communal politics" were at the helm of the organisation and vested quarters were patronising it.

Pointing to its statistics, he said the figures are "concocted and baseless" as only 84 people died in road accidents during Eid vacation.

In a scripted answer, Quader also informed the House that there are 34 lakh registered vehicles in the country as of June 30 while number of drivers with licences is 18 lakh.

In reply to a supplementary question, the minister said apart from reckless driving and sorry state of roads, pedestrians are also responsible for road accidents.
