THE FINAL IN SNAPSHOTS

(CLOCKWISE FROM TOP) The French players break out in wild celebrations after capturing the World Cup. France president Emmanuel Macron finally lets go of his diplomatic self as he bursts out in celebration after a goal. Kylian Mbappe, who proved his credentials and more at this event, celebrates with the trophy. Croatia's Ivan Perisic scores a sublime goal. Mario Mandzukic capitalises on French captain Hugo Lloris's error to score another. Antoine Griezmann celebrates with something greater than the trophy, his daughter. Paul Pogba, who has been roundly criticised for his childish behaviour, dabs on his haters with a World Cup trophy on one arm.
