

HOOKUPS & BREAKUPS

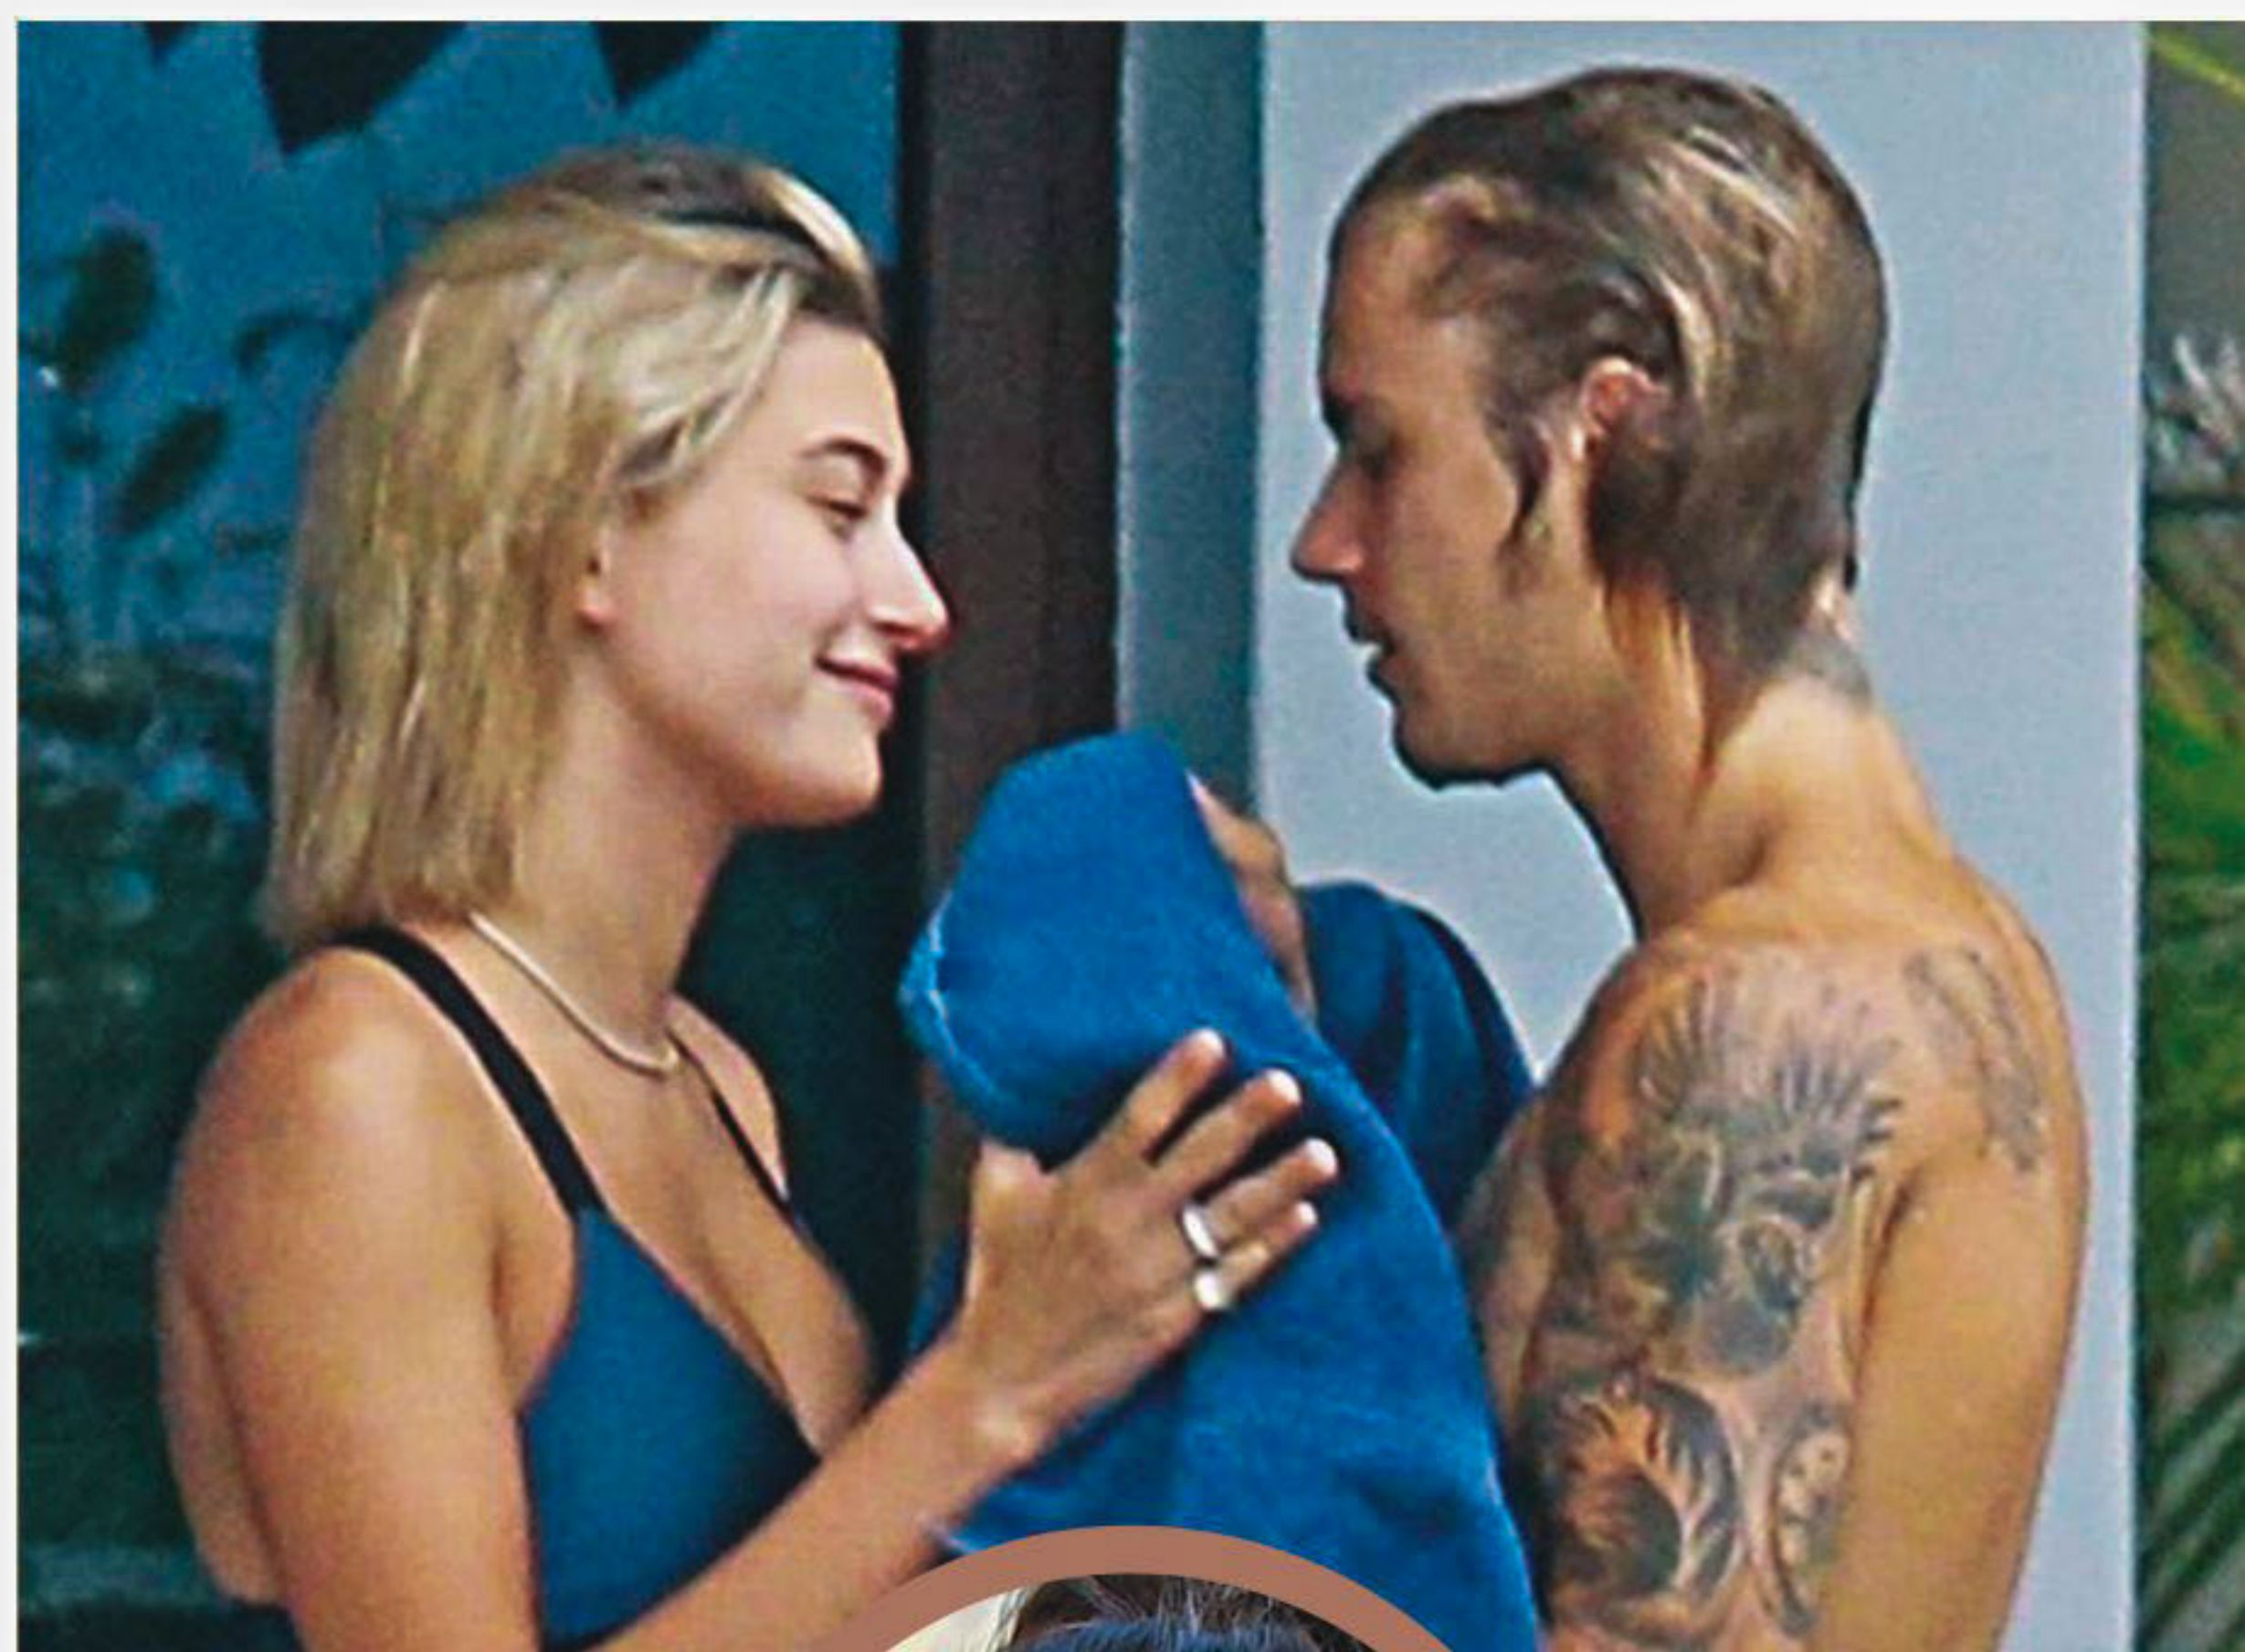

YouTube breaking the shields of Hollywood

The rumor of them being together is nothing new. But what's new here is their PDA-packed appearance in Instagram Stories. *Agents of S.H.I.E.L.D.* famed actress Chloe Bennet confirmed that she's dating controversial YouTuber Logan Paul while responding to one of her fan's tweet. She not only seemed to clear up all the speculations through her reply but also defended their relationship and praised her rumored boyfriend by calling him, "kind, creative, funny, vibrantly curious

about life". On the contrary, no sign of confirmation or commitment from the other side came on-air. Logan tried to perpetuate all the confusions and in doing so he tweeted, "Hold on one second now. I haven't confirmed anything. But if I had the chance to date this so called 'Chloe' girl, I would be an extremely lucky young man." The duo, who met on the set of their film *Valley Girl*, first sparked dating rumors last summer after being spotted kissing in Hawaii.

Justin got engaged! Thanks to Selena?

Besides releasing ground-breaking hits, Bieber has always been hitting headlines for his on and off relationships. Be it with his childhood love Selena Gomez or his seasonal flings with models and co-workers, this mega pop star cum producer has always created a buzz with all his romantic rendezvous. Perhaps this time he has different plans. The appearance of a half-a-million worth diamond ring in the finger of model Hailey Baldwin along with steamy pictures of them together on Instagram has left the world in utter

frenzy. Baldwin and Bieber went on a cozy vacation in the Bahamas lately where Justin proposed to her in front of everyone, according to sources. The model-crooner duo is rumored to be together from 2015 to 2016 until Justin got back to his old love Selena. This time again, when Selena Gomez's new relation with her friend's brother came to a hype; Justin came up with this big step. Is this a stunt to bring Selena back in his basket or has Bieber really found his soul mate? Only time will tell.

Playing the heart strings with bat-ball skills

Cricketers dating actors has become a common phenomenon in B-Town. While the news of Hardik Pandya parting ways with Swedish-Greek beauty Elli AvrRam is still being widely discussed, the cricketer has made headlines yet again, this time with his new friend Esha Gupta. The duo met at a party and hit it off immediately. The exchange of views and numbers soon resulted in the exchange of hearts! According to various sources, "Esha is head over heels in love with Hardik. The cricketer does little things for her which make her happy." For now, both of them are keeping their lips sealed about their budding romance. The chemistry brewing is being kept low profile to avoid the eyes of the paparazzies. They are yet to be caught together on camera because they live close to each other and thus, instead of going out on dates, may be they prefer staying indoors and spending quality time with each other. Esha was last seen in Ajay Devgan and Emraan Hashmi starrer *Baadshaho* in 2017 which was a box office hit.
