The taste of The Italian Kitchen

Set up by two young Italian friends in the heart of Dhaka, Filippo Ferri and Alberto Ruscalla, The Italian Kitchen has one clear goal: Make Italian food, in its purest form.

Since it was founded in November 2017, The Italian Kitchen came out with typical Italian products, respecting the pure Italian tradition made of delicate tastes, aromas and irresistible flavours. Expect such classics as "Fettuccine with Pesto", to the meat-beef Ravioli "Agnolotti alla Bolognese" from the North of Italy.

What started with just a few products as the Tiramisu, now, The Italian Kitchen proposes a vast menu of 20 plus dishes.
