## Director Replaced

In December last year, the Nolak movie team filmed for 28 straight days in India's Hyderabad Ramoji Film City. Back then the director was Rashed Raha. On July 21, the team went to Kolkata to shoot the film. But Rashed Raha was not with them. Instead, Sonet, the producer of the movie took on the added responsibility of directing it himself. Iftekhar Chowdhury has also been taken onboard as an advisor. Shakib Khan, Bobby, Mousumi, Tarik Anam Khan, Nima Rahman are in the film along with Kolkata actors Rajatava Dutta, Supriyo Dutta and many more. Actor Bobby informed Star Showbiz from Kolkata via phone that the former director had many problems; he was not paying attention to directing. According to her, someone else had to do his work for him while shooting in Hyderabad. That's why Iftekhar Chowdhury was selected to direct it. The former director regarding this incident said, "I was wrongfully forced out of the project. The producer Sonet did an injustice towards me. I have filed a complaint against Iftekhar Chowdhury to the Bangladesh Projojok-Poribeshok Shomiti. I'm waiting for them to give their judgement on the situation."
