Besides favoritism and the outstanding talent of extracting juicy gossip from celebs, KJO is also famous for his *Love Guru* avatar. Making on-screen couple off-screen lovers and vice versa is like his one favorite hobby. His new produced film *Dhadak* starring Ishaan Khattar and Janhvi Kapoor seems like another such attempt. Everyone is wondering if this is just a publicity stunt for their new movie or real life romance. Only time will reveal. Directed by Shashank Khaitan *Dhadak* is a remake of Marathi masterpiece *Sairat* which too starred two newcomers. The movie has been released on July 20, 2018.
