

Functionality Meets Style at MIB

MIB — Made in Bangladesh has been the architect of functional smart bags in the country. Inspired from the spirit of 1971, all of their eco-friendly and upcycled carriers are crafted with thought; perfect, with pride and style.

Summer demands a bag to follow you from school to work to hangouts. A smart bag to tuck in your handkerchief to dry and clean the sweat drenched oily face of yours, or even an extra pair of clothing; these are crucial in this season. With the weather acting up, you never know when the rain might start pouring, so you might also need to put an umbrella or raincoat in your bag. MIB bags not only ferries your essentials all across the country, but also acts as a useful confidence carrying prop for it is not just a want, but a necessity.

METRO SERIES

This particular series is for the metropolitan lifestyle. All of the silhouettes are created with a touch of sophistication due to the classic impression and texture. If the modern man needs to stand out, he needs nothing more than a MIB Metro Series item. The inspired and distinctive elements of this series are found across carry-all backpacks, laptop sleeves of distinctive sizes and duffel bags.
