EID RECIPE SPECIAL 2018

AMP UP the food-spread

Cooking and the two Eids are practically synonymous, especially given the varied culinary heritage of Muslims around the world, and Eid-ul-Azha being the second largest festival of the global community.

What better way to crank up the fun than a bunch of delish recipes?

And that is why we at Star Lifestyle bring you the Eid-ul-Azha Recipe Special. Some fun grilling, savoury dishes, a bit of difference with chicken variations, and of course, lots of yummy biriyani options.

Pick and choose from this spread to make your spread a perfect one—from finger food to entrées, smoothies to savoury goodies, to the delectable chilled dessert for the perfect finish.

Use the days before to cut, wash and ready the ingredients, check the larder one more time, and enjoy your Eid to the fullest, with full bellies and full hearts.

Eid Mubarak!
