

Sequin's BACK ALRIGHT!

You thought sequins only looked good at a disco? Think again! Because these shiny sparklers have come back with a rage this summer replacing florals and screen prints on the global fashion runway. Be it Milan, New York or London Fashion week, all the giants went heavy on sequins for spring-summer 2018. So, if it means that the world has put on hold the effortless, low-on-the-glam look for the moment, who are you to deny the kicking-off?
