

'SUNNIES, SUN And all the Fun'

Sunglasses- the accessory that lets us have some 'fun in the sun' while saving our eyes from the harsh rays. Undoubtedly, it's one of the most popular fashion-wear and for all the right reasons. More than just an item for protection, the right pair of sunnies can express your personality alongside making a statement in the crowd. For us ladies who love every aspect of fashion, when the sun comes out to play, so do our shades! So, let's help you find the perfect pair that matches your soul, shall we?

MIRRORED MERCURY
I would describe this as a more vacation-eyewear; mercury sunglasses scream 'Summer fun!' The reflective layer on the glasses look super cool; the blue ones look like you're about to have a sunbath by the poolside whereas the orange/purple ones seem like you are about to enjoy a nice sunset by the beach. These pairs crave a fun, summery look. So, pair it with your favorite summer-wears. This pair is perfect for those of you who have a vacation mode on 24/7. Throw on these pairs if you are heading somewhere with the sun and loads of fun.

A CAT'S EYE

Sexy and feminine; the 'cat eye' sunglasses are a major throwback to the 90's. This pointed shape gives off an illusion of elongated, sultry eyes, which, I am right in saying, we all love! The cat-eye sunglasses look best paired with 90's inspired outfits. But to be fair, it itself adds a vintage touch to every outfit so it can honestly be paired with just about everything! Since microglasses are pretty hot at the moment, the smaller the size you choose, the trendier it's going to look. Fun, flirtatious and girly- if these are your traits, then this pair is definitely for you.

COLOURED TRANSPARENCY

Sheer everything is all the rage lately. If you are someone who does not shy away from trying new things, this pair is for you! A bold, carefree soul who loves making a statement would be the perfect person to pull-off these shades. With a touch of high-fashion, it looks great with both casual as well as out-of-the-box outfits. Be a free bird and mix and match outfits with this pair. Take risks and stand out of the crowd; after all, isn't that what your soul desires?
