I don't remember, really. I haven't had the time to watch films lately, but I am currently

watching Game of Thrones.

Your favourite comfort food?

Soupy noodles!

What are the best and worst qualities that a person can have?

The best quality that someone can have is honesty. In my opinion, not accepting your own flaws should be considered the worst.

Do you have any goals in mind, heading towards the future?

I don't really have specific goals, but all I want to be is successful.
