### CHECK IT OUT

## Peyala Café opens at Karwan Bazaar

After the success of the first outlet in Gulshan-2 DCC Market, a new outlet of Peyala opened on 1 November, at Jahangir Tower, Kawran Bazaar.

Peyala is a young Bangladeshi brand that has gained much popularity in the restaurant and café industry in a very short period of time as a fast-casual restaurant that serves customisable wraps, bowls, wide array of tea, coffee and desserts.

With 31 different flavours from all around the world, this brand has certainly been able to give people's taste buds an expedition to the flavours around the world.

Peyala offers wraps that come with a choice of deliciously cooked local and international meat, tossed with an option of salsa, salad, corns, beans, aromatic rice, paired with sauces such as guacamole, sour cream or cocktail sauce.

Watch as their trained salad chefs do the tango-all in front of you- as they toss and turn the salad in specially designed woks with your choice of greens, meat and dressing.

Peyala is sure to quench your thirst with its wide array of authentic 'Cha', brewed by expert tea connoisseurs from India. Among the many varieties they offer, they have surely mastered the art of masala cha. The aroma of the spices carefully infused into the brewed tea will definitely cause anyone's sleepy cells to experience an energising reincarnation. Of course, it's not just about the tea! Peyala also caters to the equally satiated caffeine-obsessed through their regular and iced coffees with different types of flavour and other exquisite line of various cocktails on the rocks.

Innovation shines through as you explore Peyala's range of desserts. From gulabjamun, cheesecake to the Boston brownies and dadi's shemai. Check out their Nutella inspired ones; such as Nutella lava cake, 6-layered Nutella cake, Nutella shake etc.

Peyala is probably one of the very few cafés in Dhaka who celebrate WORLD NUTELLA DAY in such a grand manner.
