Nikki's Cryptic Post

Earlier this year, Nikki Bella and John Cena had ended their turbulent relationship. Bella mentioned that "After I called off the engagement, we tried to work on our relationship to get back to where it was, and in order to move forward with our wedding. After much time and soul-searching alone and together, we have decided to officially part ways." The two broke up in April three weeks before their destination wedding in Mexico. Then, it looked like they got back together, and then it didn't, and now they're officially apart. Nikki posted a heartfelt message on her *Instagram* saying, "You have changed me forever. And I will never forget you". She continued, "I had a beautiful and loving 6-year relationship with a wonderful man. I have the utmost respect for John, but I know this is what's best for me."
