UPCOMING WINTER BBQ

With the scorching sun in the day time and the pleasant (albeit slightly chilly) winds gracing the afternoons and the evening, the start of winter is quite heavenly. And what better way to enjoy this than a BBQ? Pair that with one of Dhaka's premier places, and you have yourself one of the greatest memories of the year!

For this winter season, Pan Pacific Sonargaon Dhaka is gearing up for just that at their Pool Café. The 5-star hotel is going to have an all-out BBQ to make the best of your winter afternoons and evenings.

Sous Chef Fazle Rabbi Khan gave us an exclusive highlight for this gastronomic delight about to hit the town. "We are focusing on multi-cuisine barbecue for this season. Guests will enjoy flavours from charcoal barbecue as well as grilled and baked specials. We are including Indian, Italian, and Turkish flavours, and of course, a Pan Pacific Signature line."

No barbecue is complete without salads and dressing, and guests can enjoy a variety of blended salads suited

to their tastes, including sweet, sour, and creamy flavours. As for dressings, guests will have the option of mixing and matching, plus signature dressings from Pan Pacific.

If you are not into meat and poultry, there is nothing to fret as various kinds of sea-food will be featured this season.

A new element to look out for would be soups as a fine warm up for winter. To finish off the barbecue, guests can enjoy a variety of desserts, including French pastries, and mix and match style delights with local fresh fruits.

Khan also mentioned Pan Pacific's commitment to promote and use the best of local produce from all over Bangladesh. Since food safety is garnering so much attention as of late, everything is tested through ICDDR.

The whole barbecue will be served in

buffet style with live-cooking stations, where guests can enjoy seeing their food being prepared right in front of them.

The food is not the only attraction here. The charming high ceilinged café, with its wicker chairs and wooden tables and vintage ceiling fans with lights provide an unparalleled ambience for the visitors. Blocked away from the all encompassing noise of one of the capital's busiest areas, the Pool Café at Pan Pacific is just the right place to unwind.

আমরা বুঝি পছন্দের গানটাও কেন অসহ্য লাগে

পিরিয়ডের দিনগুলোতে পছন্দের বিষয়গুলোও হয়ে ওঠে বিরক্তিকর। তুমি থাকো 'কিছু ভালো লাগে না' মুডে। কারণটা আমরা বুঝি। তাইতো এসময় তোমাকে স্বস্তিতে রাখতে একটু কেয়ার নিয়ে পাশে আছে ফ্রিডম।
