THE GENTLEMEN'S ASSORTMENTS

Apex Footwear most certainly does not leave the men behind in the wedding race. There are the most desirable Italian leather oxfords, brogues and monk straps in elegant shades of black and brown.

But if it's the most special day of your life, you definitely want to look your best, and certainly different from the rest of the folks!

For the grooms, there's the exclusive patent leather collection with lace-up shoes in ebony, carefully amalgamated with an interesting two-toned effect.

Don't believe it? Well you really need to see it in order to appreciate the special design.

Nagras, while a little old-school for the new generation, received a special collection of tassel loafers and stylish slip-ons by Apex Footwear to counter the old notions of nagras.

For the simpler occasions, like holud and mehndi, one can easily go for the sandals in black and various tones of brown. These sandals come in the range of basic slip-ons to two straps, and black belted dressier ones.

There you go! A lot of trouble sorted out for you by Apex Footwear – so don't waste time and hit their stores fast!
