

HOOKUPS & BREAKUPS

NATALIE DORMER'S relationship blows up!

Game of Thrones actor Natalie Dormer and her fiancé, Anthony Byrne have decided to part ways after 11 years together. The former couple met on the set of *The Tudors* in 2007. They got engaged in 2011 when Byrne proposed to her on a boat in India. They've parted ways since promoting the

film *In Darkness* this summer. Dormer and Byrne both hinted about their relationship trouble in interviews while promoting *In Darkness*, revealing that writing the film together often steered disagreements and arguments, which eventually led to the split.

Grace Hightower and Robert De Niro heading towards 'spiltville'

Robert De Niro, one of our favorite actors, and his wife Grace Hightower, the philanthropist and singer, have quietly parted ways after more than two decades together. They have experienced quite a few highs and lows over the course of their 21-year marriage. De Niro and Hightower married in 1997 after dating

for nearly a decade, and they have two young kids together. But this is not the first time the couple has broken up. The pair called it quits in 1999, before reuniting and renewing their vows in 2004. This week, a source close to the family confirmed that De Niro and Hightower have separated and are living apart.

ARBAAZ KHAN'S new love

For quite some time now, Arbaaz Khan has frequently been spotted with a mystery girl, who is identified as Giorgia Andriani. The Bollywood actor and producer who Khan had finalized his divorce with Malaika Arora in 2017, and has gone on record to state that he is, in fact, dating again. He admitted that he is dating and doesn't want to "rush about anything." The actor was hinting at the various speculations and rumours that have been doing the rounds, which claim that he is getting serious with Giorgia and that the two may soon be walking down the aisle. The speculations were ignited, after the couple made several joint appearances on festive occasions, family gatherings and even parties around town.
