4 Oikyafront candidates including BNP's Khokon, Abbas among 100 injured in countrywide electoral violence

STAR REPORT

At least four BNP candidates, including Mahbub Uddin Khokon, and over 100 others were injured in electoral violence in 10 districts since Friday night.

Khokon, BNP contender for Noakhali-1 constituency, was hit by rubber bullets during a clash between Awami League and BNP activists yesterday.

The other three candidates are Mirza Abbas in Dhaka-8, Jalal Uddin in Chandpur-2 and SA Kabir Jinna in Manikganj-1.

In Noakhali's Sonaimuri upazila, a fight between AL and BNP activists broke out around 4:45pm yesterday as ruling party men intercepted a procession of BNP leaders and activists in the bypass area. Both sides got involved in chase and counter-chase, said witnesses.

Khokon was wounded as police fired rubber bullets to quell the clash.
