

# For the GENTLEMEN

"Boys will be boys" - Have you ever wondered what this ever meant? It's simple really, the things we loved since we were kids, are still very much close to our hearts, even when we are old enough to sprout a forest on our cheeks to celebrate 'No Shave November.' The only difference between the love then and love now, is that we are finally old enough to actually afford some of the things we dreamed of. So for this week, Star Lifestyle showcases all things that truly

# Winter Fragrances for Him

Winter accessories are all about bringing warmth to the ensemble. A man can bring the essence of warmth to his scent through fragrances that are defined by heavier and bold base notes like spicy, musky, woody and leathery aromas. From the newest in town to the classics, and the affordable to high-end, here is a roundup of the best men's fragrances for winter, available in Dhaka, ranging from Tk 5000 to Tk12,000.

**FRESH ON THE SHELF**

Gucci Guilty Absolute eau de perfume. This is a strong scent with wood and leather as its fore notes, and is perfect for big events and is reputed for its crazy longevity. It requires just a single application.

**HOT SELLER**

Paco Rabanne 1 million eau de toilette. It is perfect for winter, blended with fresh and sensual notes, with its ultra-masculine leather-based main scent, and is good for everyday use.

**THE CLASSICS**

Hugo Boss, Boss in Motion White for Men eau de toilette -- this is for the active lads. It is composed of explosive aromas of fresh spicy and citrus notes.

Hugo Boss, Boss the Scent eau de toilette -- it begins with a spicy ginger note and develops into an intensive leather accord. This is designed according to what women like in male fragrances.
