## HC shuts door on Khaleda's polls bid

*No decision yet on filing appeal with SC; 3 more BNP leaders lose candidacy*

The High Court yesterday summarily rejected BNP Chairperson Khaleda Zia's three writ petitions challenging the Election Commission decision that upheld the cancellation of her nomination papers by returning officers.

Now Khaleda cannot contest the December 30 election, Deputy Attorney General Motaher Hossain Sazu told The Daily Star.

The HC turned down the petitions, saying the EC rightly upheld the ROs' decision to cancel Khaleda's nomination papers for Feni-1, and Bogura-6 and 7, as she was convicted and sentenced to 17 years in jail in two corruption cases, he said.

The court passed the order citing that if a person is convicted and sentenced to more than two years in prison for moral turpitude, he or she is not

Fear of Jamaat violence rises

With the December 30 election approaching, people in Noakhali, known as a stronghold of the Jamaat-e-Islami, fear that the party may resort to violence again, the way it did in 2013 centring a verdict on Delawar Hossain Sayeedee.

Noakhali police have drawn up a polling centre-based list of Awami League men to "take help" from them for carrying out duties on the voting day.

The list mentions the AL men as assistants of law enforcers while the BNP-Jamaat men as troublemakers in Noakhali-4.

Sources said the list was prepared upon instructions from the police high-ups on November 29. It was sent to Dhaka
