**ARIANA GRANDE**

Rushes to Ex-Fiance's Aid

Singer Ariana Grande rushed to the aid of ex-fiance Pete Davidson after he posted cryptic messages on his *Instagram* hinting suicidal thoughts. In his post, Pete said, "I really don't want to be on this earth anymore. I'm doing my best to stay here for you but I actually don't know how much longer I can last. All I've ever tried to do was help people. Just remember I told you so <3." After the post, Ariana rushed to visit him, but it has been reported that Pete instructed people to

not let her see him. Ariana tweeted after she went to visit Pete, "I really didn't mean any harm. all i want everyone to be healthy and happy. so desperately. please. my god. I'm downstairs and I'm not going anywhere if you need anyone or anything. I know u have everyone u need and that's not me, but i'm here too." Many celebrities showed their support for Pete after his social media post.

**Couple of the Year**  
Emily Blunt and John Krasinski

Two prominent figures in the industry, they have been married for over eight years now. But, they have always kept their careers separate. They say that they did it to keep each other's careers more distinct. But, recently they changed their decision to keep their careers separate. When John wrote the script for *A Quiet Place*, he wrote a part that he meant for Emily. But, he was afraid of keeping it in as he didn't want her to say no to it or of her saying yes to it just because John asked her. But after reading the script, Blunt claimed that she could not imagine anyone except her playing the role. Emily said that she had a rule for movies, that she waited a minimum of five months between projects. But, she only broke that rule for *A Quiet Place*, because it was John's film.

**DEMI LOVATO**  
Spotted Kissing Fashion Designer

Demi Lovato was recently spotted kissing celebrity fashion designer Henry Levy outside Nobu in Malibu. The couple supposedly met in rehab a long time ago, but stopped talking as Levy went completely clean while Demi relapsed. But after Demi overdosed back in July, she went to rehab for three months. The pair got close after that. An insider said, "Henry is exactly the friend Demi needs right now. He is a perfect sober friend for her, her friends feel he is a positive influence on her." Demi also unfollowed her friends Selena Gomez and Iggy Azalea on *Instagram* as they spoke about her overdose in interviews.
