

VOTING PATTERN IN BARISHAL DIST

From well-contested to lopsided

STAFF CORRESPONDENT

Sunday's election revealed an intriguing voting behaviour in Barishal district. In the district's six constituencies, the BNP candidates not only suffered a crushing defeat but two of its runners did not even get a single vote in many polling centres.

In Barishal-1 (Gournadi and Agailjhara), BNP candidate Jahiruddin Swapan got zero votes in 26 out of 115 polling centres. He got one vote in nine centres, according to the centre-wise result sheets signed by the returning officer.

Swapan, a former lawmaker and BNP central leader, got less than 10 votes in 40 polling stations.

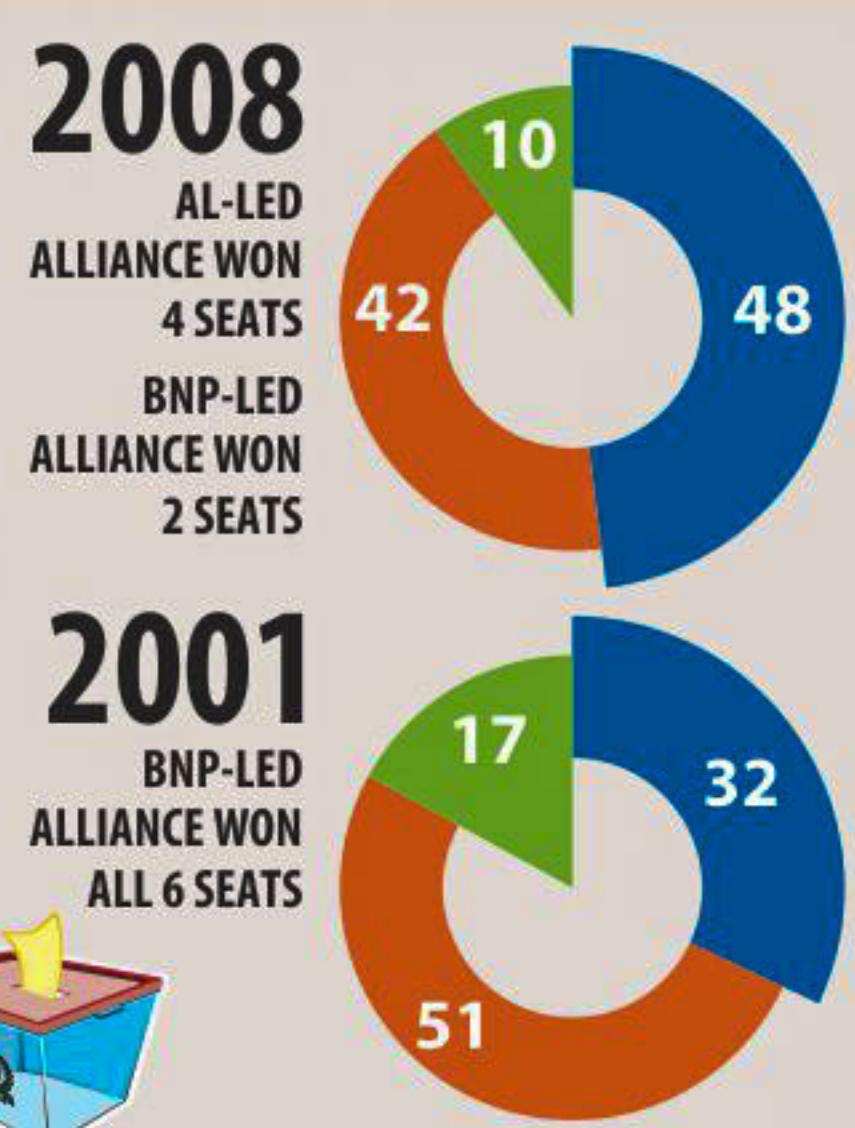

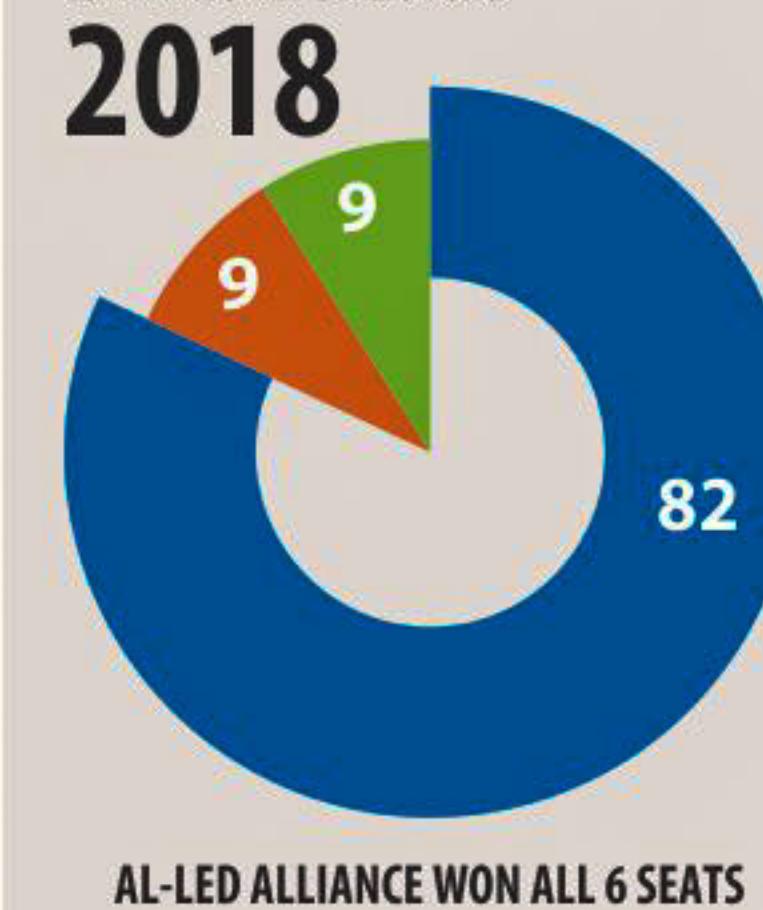

Out of 2,11,507 votes cast in 115 centres, he bagged only 1,305, less than the number (1,415) obtained by the Islami Andolan Bangladesh's candidate.

Swapan's rival Awami League's heavyweight Abul Hasnat Abdullah did a lot better by bagging 2,05,502 votes.

The former chief whip secured all votes in seven polling centres, leaving his challengers with zero votes.

Hasina may spring cabinet surprise

New faces likely to replace 'tainted' ones

PARTHA PRATIM BHATTACHARJEE

Prime Minister Sheikh Hasina, who led her party to a landslide victory in the national election, may come up with a surprise by inducting new faces into the cabinet, likely to be formed on Sunday.

On the other hand, she may exclude some current cabinet members with "tainted images" for their "controversial roles" during the last five years in power, said party insiders.

Hasina may pick the new faces with clean images to present the country a new leadership, they said.

President Abdul Hamid will appoint members of the new cabinet on the PM's advice and administer their oath at the Bangabhaban.
