## CONFUSING CRUDE BOMBS WITH 'CRICKET BALLS' Blast injures three children in Fatullah

OUR CORRESPONDENT, N'ganj

Three children including a toddler were injured in Fatullah yesterday while playing with objects, appeared to be "cricket balls", that they found in a garbage heap in the area.

The injured are Arif Hossain, 2, and Abir Hossain, 6 -- sons of west Rasulpur resident Titu Miah -- and Akhi Akter, 10, daughter of Abul Hossain from the same area, police said.

Quoting family members of the injured, Manjur Kader, officer-in-charge (OC) of Fatullah Model Police Station, told this correspondent that the children brought home four crude bombs, confusing those

with cricket balls, from a heap of garbage near their house.

"The three children sustained injuries when one of the bombs suddenly went off while they were playing with those inside a house," the OC said, adding, "We recovered the other three bombs and neutralised those later on."

The children were rushed to a nearby hospital from where they were sent to Dhaka Medical College Hospital. Akhi sustained burn injuries to her face while Arif and Abir to their hands and legs.

OC Manjur also said all the children were out of danger and police would take necessary action against the responsible after conducting investigation.

## ASSAULT ON DRIVER

## Inter-district bus communications halted for 1hr

OUR CORRESPONDENT, Barishal

Transport workers yesterday disrupted long distance bus movement to and from Barishal Central Bus Terminal for about an hour after a bus driver was assaulted by a transport leader.

Road communications in the area remained suspended from noon till around 1pm before airport police brought the situation under control.

Additional force, comprising police and Rapid Action Battalion, was deployed in Nathullabad area where the bus terminal is located.

The workers said Aftab Hossain, president of Samik League Barishal city unit and also president of Bus Owners Association (BOA) in the city, beat up Alamgir Hossain, a driver on Barishal-Swarupkathi route.

A transport worker who took part in a procession against the assault on the driver, said, "We demand justice."

Kalam Molla, a leader of BOA, demanded Aftab's immediate resignation from the association's president post.

Contacted, Aftab told The Daily Star that he went to the spot after seeing a bus parked right in the middle of the highway and causing disruption to traffic movement.

He also said he slapped the bus driver, Alamgir, as he and his helper Kaiyum misbehaved with him after he had asked the driver to show him his driving licence and other documents of the vehicle.

Regarding the agitation, Aftab said although it was a trivial matter, a group with vested interest is trying to use the incident for their benefit.

## Anti-militancy

Awami League rally on August 21, 2004, was carried out.

On August 17, 2005, bomb explosions occurred at 550 locations in 63 out of the 64 districts in the country during the BNP-Jamaat alliance tenure, which created a horrific situation, it said.

The home minister expressed his optimism that Bangladesh would become a middle-income country by 2021 as the development spree of AL will continue in the days to come.

"We have become a role model for the rest of the world in curbing militancy and terrorism due to successful drives against the menace by the law enforcement agencies," he said.

Asaduzzaman said under the dynamic leadership of Prime Minister and Awami League President Sheikh Hasina a huge development drive has been going on across the country, adding, "That is why Awami League was voted to power again to continue the development works."

He said the government established Counter Terrorism and Transnational Crime (CTTC) unit, Rapid Action Battalion (Rab), SWAT (Special Weapons and Tactics) and bomb disposal team to ensure safety of the countrymen.

The CTTC unit has been dealing strictly against any ill attempt to create anarchy in the country, the minister said, adding, "The cyber crime unit of police is also alert about this."

## India to open 6 new visa centres in Bangladesh

DIPLOMATIC CORRESPONDENT

The Indian government is opening six new Indian Visa Application Centres (IVAC) in Thakurgaon, Bogura, Cumilla, Noakhali, Brahmanbaria and Satkhira districts this month.

In Thakurgaon and Bogura, IVAC will start operating on January 6 and in the other four districts it will begin on January 12, said a press release of High Commission of India in Dhaka yesterday.

Currently, there are nine fully functional IVACs in Bangladesh. With the new six, the total number will increase to 15.

They are being opened to facilitate access of Indian visas to Bangladeshi nationals residing in far-flung and remote areas.

The opening of new IVACs reflect the continuing efforts of the Indian high commission in collaboration with its outsourced partner, the State Bank of India, to further streamline the Indian visa application process and strengthen people-to-people contacts between the two neighbouring countries, the release added.
