Together Again, for the FOURTH TIME

Bappi and Bidya Sinha Mim will be seen in a film together. This is the fourth project they have been in together. On Valentine's Day, the film they acted in, called *Daag* will be released. Kamal Ahmed wrote the script for this movie. Mohammad Rafiquzzaman was behind the screenplay for this project. The film, which is based around a love triangle, also features Achol.

Bappi said, "*Daag* is a movie based on a love story. People will enjoy watching the love triangle unfold. Audiences liked my partnership with Mim before, and hopefully, they will like it in this film as well." Mim said, "After a long time, I am making a new film with Bappi. I think that audiences will like this film as much as they liked the previous films I did with him."

New songs from HABIB

Habib Wahid came out with several new songs last year. His songs *Cholo Na* with Nancy and *Ektu Pagol Na Hole Ki* greatly entertained his fans. Following the streak, he released another new song called *Anmona Mon* on his YouTube channel at the beginning of this year. The song was written by Mamum Mujib whilst the singer himself composed the song. The song's music video, which was directed by Tarek Aziz Nishok, features Nusrat Jahan Jerry. When asked about the song, Habib said, "I was in Rangamati for a show and at the end of it, I thought of making a music video for the song. I had an idea in my head and went along with it. I hope people will enjoy it".

Starting the New Year with a Bang!

Shobnom Bubly's films are usually loved by the audience. Last year, she was seen in *Captain Khan*, *Superhero* and *Chittagainga Poa*, *Noakhaila Maiya* alongside Shakib Khan. Her film *Captain Khan* was very well received by the audience. Immediately after this year started, she signed on to Kazi Hayat's 50th film *Bir*. Shakib Khan will also be seen in that film. Shooting for that film will begin in a few days. Regarding this, Bubly said, "I try to act in films with a good story. I always enjoy working with good stories. *Bir* has an amazing story, and Kazi Hayat is a very renowned director. I consider myself very lucky to get the chance to work with him."
