

HOOKUPS & BREAKUPS

Uncoupling of the world's richest couple!

Jeff Bezos, the chief executive and founder of Amazon and wife MacKenzie Bezos, split up after 25 years of marriage. The couple announced the divorce news on Jeff's Twitter account. Since the joint statement, public discussion has escalated. Reports following the divorce show that they did not

agree to a prenup before the marriage, resulting in half of Jeff's net worth going to MacKenzie. After she gets the half net worth of \$70 billion, she becomes the richest woman alive, even wealthier than SpaceX founder, Elon Musk. The couple had previously adopted four children from China.

WEDDING confirmed?

With so many weddings in Bollywood this season, it seems only natural that another couple would be tying the knot soon. This time, it's Arjun Kapoor and Malaika Arora. There have been rumours circling around their wedding, which is set to take place in April this year. Malaika had finalised her divorce with ex-husband Arbaaz Khan in 2017, after being separated from him for around a year. They had been married

for 19 years. She later started dating Arjun, but had kept quiet about it until late 2018. Although the couple seems to be quite happy, there has been some backlash about their age difference. Malaika is 45 while Arjun is only 33, leaving a full 12 years between them. The real question here is, despite having so many women around his age, why would Arjun be with someone so significantly older?

ZAYN & GIGI over again?

Ex One Direction singer Zayn Malik and on and off girlfriend Gigi Hadid are rumoured to have broken up again! Fans have been speculating the status of their relationship after they stopped sharing pictures together since October of last year. The two first started dating in late 2015, but broke up in March of last year. They patched up again, but

have reportedly split again due to not being able to give each other time. Both of them tried to keep the relationship alive, but couldn't because of their busy schedules. They have apparently not spent the Christmas together. Zayn has also unfollowed Gigi on social media. He is said to be very heartbroken and 'not in a good place'.
