Children's Day with Farm Fresh

Long gone are the days when afternoons are filled with the laughter of children, playing to their hearts' content. School workloads and lack of playing spaces have constricted the city's children within walls and screens.

To break away from this urban curse, Farm Fresh will be celebrating two days of fun and activities, "The Children's Day" on 25 and 26 January, which will include puppet show, circus, art competition, magic show, movies, bioscope, children's book stalls, game zones and many more attractions. It

will take place at Kalabagan field, Dhanmondi from 8AM to 6PM. The event is free for all, but to partake in the competitions, children need to be registered. For the first time ever, differently-abled children will have the opportunity to partake in special games and have their own stage performances, plus an open cooking stage.
