on Janhvi's relevance in his brother's life

Shahid Kapoor recently appeared on Karan Johar's talk show, *Koffee with Karan* alongside his brother Ishaan Khattar. The show took an interesting turn of events when the topic of Janhvi Kapoor came up. Karan Johar showed the two brothers a clip where Arjun Kapoor had mentioned that Ishaan has recently started buzzing around Janhvi. When asked to react to it, Shahid cut off Ishaan's reply saying that he wondered how close Arjun Kapoor was to Janhvi to know such information. He also said that his brother is a "buzzy guy" and that Janhvi should know that she is not someone special. To this statement, Ishaan mouthed, "I am supposedly for" followed by Arjun's out the show, Ishaan and

sorry" towards the camera which was Janhvi. However, Shahid Kapoor mentioned quite a few times throughout the show which left their fans wondering if Janhvi are actually together.
