'Unleash Your True Potential' launched at Ekushey Book Fair

This Ekushey Book Fair, the only self-help book of the country, written in two languages, by certified corporate trainer Ghulam Sumdany Don, is being launched. Unlike other books, 'Unleash Your True Potential' features games, exercise, and interactive content to help us discover our truest potential. In the book, Ghulam Sumdany Don reveals many strategies and plans that will help us create the life that we deserve.

To describe his experience and

expectation about writing the book, Ghulam Sumdany Don said that, through the book, he wants to reach to the people who want to unleash their true potential but don't know how.

This is not the first time Don has written a book. In 2016, he wrote six pocket books.

The books will be available at Ekushey Book Fair, Addhayan Prokashani, pavilion 14. So don't miss this opportunity to grab your copy.
