

# SPORSHIA

Orchita Sporshia is a popular name in the movie industry. At the age of 25, she has made a name for herself as an actor and a model, and also has her own production company, 'Kochchop Films'. In a candid interview with Star Showbiz, Orchita has shared her beauty routine.

**SKINCARE:**

After a long day of work, Orchita likes to remove her makeup using a cleanser from *The Body Shop*. Then she uses a face wash to wipe off any other impurities. She prefers switching up the brands of face wash she uses, and is currently using one from *Biotique*. As for her daily night skin care regime, she keeps it simple by applying *Vaseline* all over her face and leaving it overnight. As for toning her skin, she uses *Ayur Astringent* before applying makeup, rather than using a toner. In order to give her skin that extra care, she sometimes opts for a quick face massage, which makes her skin bright and youthful.

**HAIRCARE:**

Her hair care routine is also simple and brief, but gives her healthy and shiny hair. She uses different brands of shampoo for her hair, but has recently been using *Dove* and *Pantene*. To condition her hair, she always uses a conditioner from a brand, named *Caring*, which contains egg protein to nourish

and strengthen her hair. She does not use any hair masks, but tries to apply coconut oil to her hair once or twice weekly.

**MAKEUP:**

She rarely wears makeup on a daily basis and claims that she is not a makeup person; applying only mascara and a reddish lip tint at most. However, amongst the limited amount of products she uses, foundations from *L'Oréal* and lipsticks from *MAC* are some of her favourites. When going to parties, she also applies kohl to her eyes sometimes. Apart from these, she also likes products from *The Body Shop*.

**REGULAR WEAR:**

For regular wear, Orchita usually likes wearing comfortable cotton *kurtis* with leggings and sometimes, a T-shirt with a pair of jeans. She also likes wearing cotton *sarees* on an everyday basis.

**PARTY WEAR:**

For parties or special events, she likes to dress traditionally, by draping herself in a *saree* and finishes the look with a *bindi*.
