ACI Enabling Bangladesh through Quality and Technology

Advanced Chemical Industries Limited (ACI) is a leading conglomerate in Bangladesh. ACI started its journey with a unique mission – to improve the quality of life of the people through responsible application of knowledge, skills and technology. ACI is committed to the pursuit of excellence by developing world-class products, innovative processes and empowered employees to provide the highest level of satisfaction to its customers.

ACI has successfully infused ethical work culture, professionalism, modern work concepts and advanced management processes in all its business operations. As a result, ACI has become one of the most successful business organisations in Bangladesh.

ACI has three joint venture companies, namely Tetley ACI (Bangladesh) Limited, Asian Consumer Care Private Limited and ACI Godrej Agrovet Private Limited. ACI has 14 subsidiaries including ACI Pure Flour Limited, ACI Foods Limited, ACI Salt Limited, ACI Motors Limited, ACI Formulations Limited, etc.

ACI is a founding member of the Community of Global Growth Companies, which was set up by the World Economic Forum, the leading business networking organisation.
