

NORTH WEST already on a magazine cover!

Being the daughter of famous TV personality, Kim Kardashian, it was almost impossible for North West to stay away from the public eye. But, not only that, it seems that she is set to go down the exact same path as her mother. North has already landed a magazine cover of *WWD* magazine's special issue, *Beauty Inc.*, with a tagline "Keeping up with the future". She has also bagged a spread inside, where she is seen posing in many different colourful clothings. It may seem quite irresponsible to let a five year old child attract media attention, but that's the Kardashians in a nutshell.

THOR TO PLAY HULK?

Hollywood hunk, Chris Hemsworth is set to portray Hulk Hogan in a biopic, directed by Todd Phillips. Hogan is one of the biggest names in the wrestling industry; being a regular face on television in the 80s. His wrestling prowess had paved his way to many movies, TV shows and video games, but he faced many controversies in his later years. The biopic, partnered with *Netflix*, will reportedly showcase the rise of Hogan and depict the origin story of *Hulkster* and *Hulkamania*, instead of encompassing his entire life. Chris has two other films coming this summer; *Avengers: Endgame* and *Men in Black: International*.

Trouble in Jonas paradise?

It's common knowledge that actor Priyanka Chopra tied the knot with singer Nick Jonas in December, after a year of whirlwind romance. While it is well known that Priyanka and Joe Jonas's fiancée, Sofia Turner are extremely close, not much is known about the relationship between her and Nick's sister-in-law, Danielle (wife of Kevin Jonas). The apparent distance has caused some controversy regarding the existence of a discord in the family. Danielle had posted a picture with Sofia on her birthday on *Instagram*, captioning it with how she and her children were extremely lucky to have her in their lives. However, some users took it as a subtle jab to Priyanka. She was quick to defend Priyanka, calling her "lovely" and disabling the comments for the post.
