

# NABILA

*Masuma Rahman Nabila is a popular name in the showbiz industry. She made a name for herself after her silver screen debut 'Ayanabaji'. She also does anchoring and has hosted a few big events like the 'BPL' opening ceremony. In a recent interview with Star Showbiz, Nabila has shared her beauty routine.*

**SKINCARE:**

After coming home from work, Nabila wipes off her makeup using a cleanser from *Farmacy*. To remove her eye makeup, she prefers using *NIVEA® Daily Essentials Double Effective Eye Make-up Remover*. Her busy routine rarely leaves her with time to indulge in lengthy skin care routines. However, she always makes sure to keep her skin toned and moisturised, using *ELEMIS Soothing Apricot Toner* and *Boots Cucumber Moisturising Lotion*.

**HAIRCARE:**

Nabila changes her hair care products frequently, as she believes it works the best for her hair. However, she is currently using a shampoo and conditioner from *Garnier*. To get silky, smooth hair, she tries visiting a hair salon once a week to get a hot oil massage. She also treats her hair with different types of hair packs from time to time, which keeps her hair healthy.

**MAKEUP:**

For everyday look, she likes wearing eyeliner and lipsticks from *MAC*. She also does her

eye makeup by using eye shadow palettes from *Huda Beauty* and the *Anastasia Beverly Hills Modern Renaissance Eye Shadow Palette*. She doesn't like wearing foundation on a daily basis, and rather prefers using *The Body Shop Tea Tree BB Cream*. She only wears foundation when she goes to special events. However, she still keeps her look simple and natural by using brown and copper tones, but does pay special attention to her contour.

**REGULAR WEAR:**

For her daily attire, Nabila keeps her look chic and comfortable by wearing different tops, paired with jeans. She also likes wearing *Kurtis* which are traditional, yet fashionable.

**PARTY WEAR:**

While attending parties, she likes draping herself in a *Saree*. She also likes wearing trendy, *Anarkali* styled *Kameez*, but is not a big fan of gowns. She usually completes her ensemble by wearing long earrings which are her favourite accessory.
